

Top Priority Issue Resources

This resource page was created to enhance the efforts of our member advocates around our top five priority issues. Possible content includes issue background information, advocacy activity calendars, sample newsletters, and issue presentations. WSPTA staff, the Legislation Committee, councils, units and/or members may submit material which must be approved prior to posting. Please submit all material via email to Kim Howard, WSPTA Advocacy Coordinator, who will initiate the approval process (khoward@wastatepta.org).

1. Resource material should aid member education and/or assist with community engagement on priority issues. It can be factual, informational and/or persuasive.
2. Material must align with WSPTA positions. Pro/con papers can be included as part of the education process.
3. Material should include sources, including bill numbers if applicable.
4. WSPTA may add a disclaimer with regard to the content of the material, if it is not possible to verify the information.
5. Please note the general disclaimer with regard to the reproduction of materials posted to this webpage.
