National PTA Convention

Phoenix 2006 Voting Delegate

It is important the we place the right people in the right places! I would be honored to serve the members of Washington State PTA on the Nominating Committee for 2009.

Washington State PTA still has much work to do for the children. We need strong leadership in place.

If you see me at convention, please stop me and say hi! I would love the opportunity to talk to you!

Quality

We need quality people to serve as our leaders. They represent you –me-and our children. Please help me to help you get the quality we deserve!

I promise to you that I will work hard on the Nominating Committee in finding the quality of personnel we need to lead us into the future.

Commitment

I am committed to this organization and what we stand for. Our children need us to speak for them. As a committed PTA member, I will seek out others with the same level of commitment to our children.

Service

The act of service shows love and respect. I have served PTA since 2002 when my son entered Kindergarten and I volunteered to chair Friday Treats. Since the first convention I attended I was hooked on Washington State PTA. This is a wonderful organization to serve.

Please vote for Quality, Commitment, and Service. Please vote for me, Karin Catey to serve on the Nominative Committee for Washington State PTA.
