INSTRUCTIONS

Each PTA shall choose the method of determining its vote.

Place the ballot into the small, unmarked envelope. Place that envelope into the larger envelope addressed to the Washington State PTA. Attach a stamp and mail. The ballot must be received in the Washington State PTA office **postmarked no later than March 1, 2012.**

In the alternative, your unit's ballot may be cast electronically as follows: (to be determined)

The label with the name of the PTA and its president is attached to the larger envelope. This is to enable the State PTA office staff to assure that only PTAs in region are voting and that each PTA is voting only one time.

In order to preserve confidentiality, the people opening the envelope will not be the same as those opening the small envelope containing the ballot.
