

LAST CHANCETO ATTEND REGION 7 PTA & THE LAW THIS YEAR!

Did you know your PTA is a non-profit corporation?

PTA & the Law is an interactive workshop where you will learn the legal obligations of your PTA and be able to ask questions too. PTA & the Law is quality training presented by the WSPTA executive committee and WSPTA executive director. It is your legal and fiduciary responsibility to your members and the PTA organizations to remain up-to-date on the corporate laws and IRS rules, which change each year. The importance of this workshop cannot be overstated! No matter what your role in PTA is, you have legal duties and responsibilities imposed on you by the State and Federal Governments.

And with a newly passed WSPTA Bylaw, it is required for at least one member of your Executive Committee to attend PTA & The Law.
