

# 2017-2018 WSPTA MEMBERSHIP AWARDS RECIPIENTS

Your PTA can change the world. It can turn a school building into a second home. It can expose children to the arts for the very first time. It can welcome marginalized populations, foster new ideas, and speak up for all children. But, just as you must power up a device before using it, you must supply the power to your PTA before it can move mountains. First, you need members.

Congratulations to the following local PTAs for putting membership first. Your dedication is an inspiration for all of us!
