

Frequently Asked Questions

WSPTA Standards of Affiliation

1. What is the purpose of the WSPTA Standards of Affiliation agreement (SOA)?

To provide support and guidance to our local PTAs and councils, Washington State PTA (WSPTA) is providing this Standards of Affiliation (SOA) Agreement Checklist to help navigate legal requirements. Completing this checklist will help local PTA and council leaders ensure their independent nonprofit business remains current with all IRS, state, insurance, and PTA requirements. We encourage you to include your entire board of directors in this work and to keep your membership up to date with your progress.

The SOA agreement is in place to ensure local PTAs and councils align with WSPTA's ethics, policies, and principles; maintain good business practices; and comply with applicable federal and state laws. WSPTA has a similar SOA requirement with National PTA.

2. What are the benefits of the SOA?

The SOA has multiple benefits to local PTAs and councils:

- Clarifies what requirements define a local PTA or council in good standing.
- All requirements are in one place – no need to check multiple resources to know what is expected.
- Consistent expectations across the state.
- Helps local PTAs and councils stay on track with legal requirements.
- Allows for improved service and support from all levels of PTA.

3. What changed this year?

There is new information regarding the Charitable Solicitations (item 3 of the checklist). In the past, if your gross receipts were under \$50,000 this was a free optional filing. Once you are registered with the Secretary of State's office, you must renew your registration annually.

4. At my local PTA or council, who is responsible for the SOA?

We recommend the SOA agreement checklist be reviewed by the board of directors, reported to the membership, and recorded in the meeting minutes. Keep copies of this checklist and all pertinent documentation in your legal documents and/or treasurer binder.

5. What is the deadline?

There is no deadline for completion of the agreement checklist. Most requirements have their own deadlines or best practice timeframes, and everything should be completed by the end of the fiscal year. It is up to your board of directors to monitor the progress towards completion and be able to present the required documentation, if requested, for periodic review.

6. How do we submit our completed SOA checklist?

No need to submit the checklist! We recommend you keep a copy of the checklist and copies of all pertinent documentation in your legal documents or treasurer binder.

7. What are the requirements of the SOA?

The SOA is made up of requirements from the IRS, State of Washington, your insurance company, and Washington State PTA. There are 12 requirements for local PTAs and 11 for councils. Please refer to the checklist for the specific requirements.
