## Also Supported (listed alphabetically):

### Best Practices for School Meals - Lunch

The Washington State PTA shall support legislation or policies that:

- Modify WAC 392-157-125 “Time for Meals” to define a minimum lunch period for students. Language should be added to specify a minimum of 20 minutes to eat lunch after being seated, with additional time scheduled to move through the lunch line;
- Promote recess before lunch for elementary students;
- Promote healthy and respectful eating environments and discourages practices such as silent lunch.

### Best Practices for School Recess

The Washington State PTA shall support legislation or policies that:

- Define a *minimum* of 30 minutes of daily recess time for elementary school students;
- Prohibit recess from being withheld due to academic or punitive reasons;
- Promote schools as an effective and necessary partner in guiding children to meet the CDC recommendation of 60 minutes of daily moderate to vigorous physical activity;
- Specify that recess should be outdoors and primarily unstructured, with contingency plans for inclement weather or other safety concerns.

### Engaging Families in Student Success

The Washington State PTA shall support legislation or policies that increase transformative family engagement practices by:

- Replacing “Parent Involvement Coordinator” with the more inclusive “Family and Community Engagement (FACE) Coordinator” in the funding formula;
- Adopting a clear definition for FACE Coordinators;
- Funding at least a 1.0 FTE FACE Coordinator per school, starting with high poverty schools first.

### Fund Paraeducator Training

The Washington State PTA shall support legislation or policies that:

- Fully fund the training requirements for paraeducators mandated by law, including the 28-hour fundamental course of study and the additional 70 hours of professional development required within the first three years of employment.

### Increase Access to High Quality Preschool

The Washington State PTA shall support legislation or policies that:

- Develop a plan to ensure all preschool-age children in Washington state have access to preschool that is:
  - High-quality
  - Local
  - Developmentally appropriate
  - Evidence-based
  - Inclusive
- The plan must address the equity gaps and improve student outcomes in the pre-K-12 public school system.

### Raise the Age of Tobacco and Electronic Nicotine Delivery Systems to 21

The Washington State PTA shall support legislation or policies that:

- Limit access, sale, and distribution of all tobacco products and electronic nicotine delivery systems, including but not limited to, e-cigarettes, vaping and Juul devices, to age of 21 and up;
- Prohibit packaging and marketing targeted at youth.

### Safe School Plans and Emergency Preparedness

The Washington State PTA shall support legislation or policies that support emergency preparedness planning in schools through:

- Development of clear and specific guidelines and standards for safe school plans;
- Funding to support schools in developing safe school plans;
- Funding to ensure that every school is able to implement a safe school plan that will serve all students equitably.
