

Leadership Academy Application

Thank you for participating in the Washington State PTA (WSPTA) Leadership Academy. In gratitude for the many hours of service and training put forth by volunteer leaders, the WSPTA board of directors created the Leadership Academy program. The purpose of this program is to encourage, facilitate, and recognize the continuous growth of leadership shown by dedicated PTA leaders at all levels of the association. PTA leaders are encouraged to join the Leadership Academy program and submit their activity yearly to create a record of their leadership in the association.

Applications and updates are due March 1. Please [read the important information and guidelines](#) before completing the application.

Points will only be accepted for up to five years, including the current PTA year.
