Why Does My Organization Need Insurance?

The number one question that most Parent Teacher groups face today is “Why does my Organization need insurance?” That’s a great question and one that every Parent Teacher group should ask itself. There are many misconceptions about insurance when it comes to Parent Teacher groups. Did you know that you, as an individual member or officer of your Organization, could be held personally liable for an accident that occurs at one of your events? Personal Liability means that your personal assets could be at risk if you were sued because of something that happened at one of your Organizations events. Are you willing to put your checking account, your savings account, possibly your 401k or other assets at risk for your Organization?

Insurance not only protects your Organization, but also protects you as an individual, especially when there is limited coverage through your homeowner’s insurance. This Insurance Guide will walk you through the risks that you are exposed to as a Parent Teacher group, ways to reduce that liability, and how insurance policies can protect your Parent Teacher group and its members, should something happen at one of your events.

General Liability Covers Everything: FALSE

“We have insurance.” That’s a statement that we hear as a Customer Service Team every day. The problem with making that statement, however, is that it’s extremely broad. The truth is that most Parent Teacher groups don’t know what coverage they have, nor do they know what risks those policies are protecting them from. When thinking about your personal insurance policies, you wouldn’t expect your Homeowners Insurance Policy to pay if you were in an automobile accident. Nor would you expect your Health Insurance Policy to pay if your home burned down. Each one of your personal insurance policies does something totally and distinctively different. The same thing is true concerning Parent Teacher group Insurance policies. Professional Liability insurance doesn’t cover your Organization against embezzlement, nor does your General Liability policy provide coverage if your Organization’s fundraising t-shirts are stolen.

There are four different insurance policies offered to Parent Teacher groups that have totally different objectives which we will cover in this guide.

1. General Liability with Extended Medical Payments
   - Optional Extended Accident Medical Payments Endorsements
   - Optional Media Liability Endorsements
   - Optional Terrorism Coverage
2. Professional Liability (Directors & Officers Liability)
3. Fidelity Bond (Crime)
4. Inland Marine (Business Personal Property)
   - Optional Terrorism Coverage

Common Misconceptions:

- Parent Teacher groups are immune from liability because of their non-profit status
- The school’s insurance covers Parent Teacher groups for all of their events.
- Liability protects the Parent Teacher groups from all risks.
General Liability

Let’s face it, everyone involved in a parent Teacher group is volunteering for the same reason...the kids. Even though you are putting your valuable time and numerous hours into making your Organization the best that it can be, there are still certain risks that you are exposed to as a volunteer. While attending your fall carnival, a child could fall down and get hurt. You may not see that as a risk that you should be concerned with, but what if the parents of that child don’t have health insurance? The family will be looking for someone to help with those expenses. After all, it was at your event that their child was injured. In the event that an incident leads to a lawsuit against your Organization, as a volunteer named in a lawsuit, your personal assets could be at risk. The General Liability policy protects not only your Organization but protects you as a member as well.

Bodily Injury and Property Damage

Bodily Injury & Property Damage are covered in 2 parts under your General Liability policy:

1. **Liability** - $1 or $2 million per occurrence and a $2 million General Aggregate to cover damages for bodily injury or damage to property of others.

2. **Extended Medical Payments** – up to $5,000 per person to cover medical expenses (outside a lawsuit.)

The **Liability** portion will come into effect for lawsuits in which your Organization is being sued for bodily injury or property damage of others. You have up to $1 or $2 million (depending on the policy you choose) per occurrence per policy period to compensate for any judgments made against you.

The **Extended Medical Payments** portion will come into effect for minor medical injuries that are sustained by a volunteer of your Organization, a board member, or a third party at one of your Organization’s sponsored events. This is by no means a health insurance policy. The Medical Payments clause of your liability policy will pay secondary to any personal health insurance that the injured party may have. Medical Payments coverage helps protect your Organization and its members by deterring a lawsuit, while helping the injured party cover out of pocket expenses they may incur in seeking treatment.

Sponsored Events

To extend your General Liability policy to your Organization, you must be hosting an event sponsored by your Parent Teacher group. The requirements of a sponsored event are:

1. The event must be approved by your Organization
2. The event must be scheduled by your Organization
3. The event must be planned by your Organization
4. The majority of the manpower must be provided by your Organization’s members

Always think about Liability in these terms: “It’s YOUR fault that my child was injured at the PTA Carnival.”

Liability Waivers

We receive many calls from Parent Teacher Groups asking about “waivers” of liability. It is very important to be aware that you can never sign your liability away regardless of the any document or waiver. A waiver will not hold up in court if your Organization is found at fault for an injury occurring at one of your events. However, a waiver is a tool used to help deter the lawsuit mindset. By having all participants sign a waiver, you are helping to plant the seed that the participant is responsible for their own actions. While a waiver isn’t a requirement to extend coverage under the General Liability policy, it is a step in the right direction to help protect your Organization against bodily injury lawsuits. There are two different waivers included within this Risk Management Guide. The first is a Parent’s Approval and Student Waiver. This would be used anytime you need a person under the age of 18 to sign for a specific event. The other is a Participant’s Waiver. This would primarily be used anytime you want someone over the age of 18 to sign for a specific event. You will find both of these waivers listed on the pages to follow. Both of these documents are also available on our website at www.aim-companies.com.

Additional Insureds

If you are having an event, the event site may ask you to list them as an Additional Insured on your General Liability policy. We do not charge for these additions and will be happy to do this at your request. As a precaution, you must know that adding someone as an Additional Insured means you share your limits with someone else under your policy. For example, let’s say you have a fun run at the city park and the park requires you to add them on as an Additional Insured. If the park gets sued because of something that happens at your event, your policy would provide defense for both your Organization and the park, and you would SHARE total limits under your General Liability policy.

In order to process this request, we ask that you provide us with the form on the following pages. It is required that you provide the following information within the form:

1. The date and location of the event
2. The start and end time of the event
3. The name and address of the Additional Insured.
4. Any specific wording required by the entity wishing to be added as an additional insured onto your policy. (subject to approval)

Additional Insured forms can be found at www.aim-companies.com. You can fill out this form online and email to us at aim@aim-companies.com or fax it to us at 214-360-0802.

By submitting this form you are requesting that an Additional Insured be added to your policy on a primary and noncontributory basis. We want to make sure you are fully aware of how adding this language can change your coverage.

The word “primary” in “primary and noncontributory” means that the insurance policy to which this applies will be the primary or first policy to pay out in the event of a claim if there were to be more than one insurer for the same incident or claim. The word “noncontributory” means the insurance policy to which this applies will be the only policy available to pay the claim. This policy will not require any other policy available, to contribute to payment of the claim.

We want you to fully understand that when you add an additional insured on a primary and noncontributory basis, this could reduce policy limits available to your organization (under your policy) and limit your ability to collect for damages from the Additional Insured. This could include damages involving negligence on the part of the Additional Insured.

Your signature below confirms you acknowledge and understand how adding this language could affect coverage under your policy.

**Acknowledgements:**

Please note, adding an Additional Insured means you agree to share the total limits of the policy.

Requesting Board Members Signature: ____________________________________________________________________ Date: ______________

Typed or Electronic Signatures are not accepted.

Please send to [aim@aim-companies.com](mailto:aim@aim-companies.com), Please allow 24 hours for processing.
**Contractors/Vendors**

There are times when your Organization will agree to bring certain vendors or contractors in as entertainment. Prior to bringing in a vendor or contractor, you should ask for a copy of their Certificate of Insurance. A Certificate of Insurance should only come from the insurance company where the vendor does his/her business. Make sure that there is a current date on the Certificate, as that will be your proof that the vendor has followed prudent business practice and has kept his/her insurance active. Your policy does not insure such vendors, but it does cover claims for attendees who get hurt from a vendor’s services.

**Host Liquor Liability**

Host Liquor Liability is NOT excluded under General Liability policies. Host Liquor Liability is defined as bodily injury or property damage arising out of the serving or distribution of alcoholic beverages by a party not engaged in this activity as a business enterprise. A liquor store or bar would be an example of a business enterprise serving or distributing liquor. The liability policies protect you when you host parties and events where alcohol is served. There is coverage whether you give the alcohol away or charge for it. No matter where the party is actually held, your liability insurance goes with you. The act of hiring a caterer to serve food and alcohol does not exclude your Host Liquor coverage. However, if you cater the event and the venue or caterer sells the alcohol, then they assume the liquor liability exposure. You should verify that they have liquor liability insurance by requesting proof of insurance.

**Proceed With Caution**

The following activities are those which ARE covered under your General Liability insurance policy, but we ask that you follow the outlined precautions to limit the risk of a claim.

1. **Baby Sitting** – Babysitting is something that you would provide during Parent Teacher group meetings or sponsored events. We ask that you have at least two adult volunteers (18 years or older) in the room at all times. This dual rule is in force to protect against any molestation claims, to provide a second witness to rule out false claims, and to provide extra assistance in the case of an emergency. **Paid** baby sitters are not covered under this policy.

2. **Athletic Events** – Your General Liability policy covers athletic events such as fun runs, field day, and donkey basketball as long as they are being run by your Organization. Your General Liability policy does not cover athletic organizations which maintain a regular practice and competition schedule such as a football team or cheerleading squad. Your Parent Teacher group insurance policy is only meant to cover those 1 or 2 day events that your Organization runs...not the football team, the cheerleading squad, or the band.

3. **After School Programs** – Your General Liability policy covers your after school programs. For the after school program to be considered your program your Organization must both organize and manage the program. If your Organization participates in an after school program that is organized and managed by the school, that program is not covered.

**General Liability Deductible**

There is no deductible for a claim filed under this policy.
Supplements to your General Liability Policy

Extended Medical Payments
(Endorsement to General Liability)

If you have General Liability, why do you need Extended Medical Payments Limits? How is it different? If you read the General Liability section, you will remember that there is only a $5,000 provision for the Medical Payments component of your General Liability policy. If you have a claim above $5,000, the injured party could sue your Organization for any amounts incurred.

The Medical Payments component provides additional coverage for out of pocket medical expenses and helps deter lawsuits. This is by no means a replacement to your liability policy but a supplement, as the Medical Payments coverage does not provide protection in the event of a lawsuit.

Extended Medical Payment Limits

Extended Medical Payments coverage is available for purchase in the following Increased Limit Options:

1. $10,000
2. $25,000
3. $50,000

Help deter lawsuits by providing additional coverage for out of pocket medical expenses.
Media Liability
(Endorsement to General Liability)

As a supplement to your General Liability policy we also offer Social Media Liability Coverage. This coverage is designed to protect you from liability in the event you accidentally misuse or disclose information on your website or other social media site. This includes misuse of logo, copyright, pictures, confidential information and other misrepresentations or misappropriations.

Coverage Highlights

Media Liability coverage provides coverage for innocent mistakes like these:

1. **Pictures- do you have permission?**
   a. Invasion of privacy by posting a photograph that has not been released for use.
2. **Outside company logos- do you have occasion to include company logos for events?**
   a. Infringement of copyright, trademark, or logo, when you accidentally post something.
3. **Do you make public ANY information that could be considered confidential?**
   a. You could be held liable for disclosing of confidential information.
4. **Could someone feel you misrepresented details of your event and hold you responsible?**

This list is not all inclusive. If you have a question about a specific situation and are inquiring if coverage is provided please call AIM at 800-876-4044.

Media Liability Limits

Media Liability is available for purchase in the following Limit Options:

1. $25,000
2. $50,000
3. $75,000
4. $100,000

Terrorism
(Endorsement to General Liability)

Under the Terrorism Risk Insurance Act, you have the right to purchase insurance coverage for losses resulting from Certified Act of Terrorism (certified by the Secretary of the Treasury). In comparison to other risks Parent Teacher Groups face, the risk of a Certified Act of Terrorism occurring at one of your events is relatively low. Contact us with questions about determining if your organization needs Terrorism coverage.
Professional Liability (Directors & Officers Liability)

We’ve covered your events with the General Liability Policy and Medical Payments Coverage, but what about the decisions that you make as a board? As with any business, you as an officer of your Parent Teacher group can be sued for decisions that you make individually or as an Organization. These decisions can include what type of fundraiser to have, where to hold an event, or any other managerial decisions. This policy is to protect the way you manage your Organization and the decisions that are made by you and other board members.

Coverage Highlights

The Officer’s Liability policy provides $1,000,000 to cover decisions you make as an officer. Other things that might fall under this coverage are:

1. Inappropriate use of Organization funds
2. Wrongful acts, misleading statements, or negligent acts
3. Discrimination
4. Not following your by-laws
5. Misrepresentation

Professional Liability Exclusions

1. Criminal acts
2. Any knowingly wrongful act
3. Willful or reckless behavior
4. Dishonesty

The above lists are not all inclusive. If you have a question about a specific situation and are inquiring if coverage is provided please call AIM at 800-876-4044.

Professional Liability Deductible

There is a $1500 deductible for a claim filed under this policy.
Fidelity Bond (Commercial Crime)

A Parent Teacher group should be run like a business. You have a budget to work within, deadlines to meet, and events to plan. The main concern in any business is finances. You may have many different officers with check signing capabilities or you may trust one of your volunteers to run to the bank to deposit fundraising money. Although there may be various safeguards set up to protect your funds, there is still a large risk of someone embezzling your money. The Bond (or Commercial Crime) policy is set up to protect your money, scrip, securities, and other cash equivalents against embezzlement, robbery, and theft.

**Embezzlement, Robbery and Theft**

With the Fidelity Bond coverage, your funds are covered from embezzlement by anyone that you entrust with your Organization’s money.

Some of the people your Organization might trust with your funds include:

1. Officers
2. Volunteers
3. Members

**Position Bond vs. Blanket Bond**

There are two types of bonds out there...Position Bonds (single person) and Blanket Bonds (Organization). Position Bonds usually cover only one person or one position within your Organization. While this option may seem less expensive than a Blanket Bond, these Bonds only protect your Organization if that particular person embezzles the money. For example, if your Organization only bonds the Treasurer, you will find yourself in a difficult situation if the President embezzles the money. The policy that AIM offers is a Blanket Bond. Under a Blanket Bond, it is not necessary to name everyone covered by the bond, nor the position that they hold within your Organization. In the event of a claim, we would ask if the person suspected of embezzlement was trusted with the money or if they stole funds belonging to your Organization. Your funds are also covered for anyone that has check signing capabilities who fraudulently forges a second signature on outgoing checks.

**Requirements and Conditions**

In order for Fidelity Bond coverage to apply to your organization, you must comply with the following requirements:

1. Your Organization must conduct an annual audit/review of the books by an audit/review committee or qualified accountant.
2. The monthly bank reconciliation must be reviewed and signed by someone who does not have authorization to sign checks. Financial software does not qualify under this requirement.

**Coverage may be voided if the above requirements are conditions are not followed.**

The Two Biggest Obstacles Concerning Embezzlement:

1. Understanding that trust can be broken under the right circumstances.
2. Thinking it won’t happen to your Organization.
Safeguarding Your Funds

While the Bond policy is available to protect your funds should they become embezzled or stolen, it is much easier to avoid the situation altogether. With the right safety practices, you can keep your hard earned funds safe and avoid a disaster altogether.

Fidelity Bond Limits

Fidelity Bond coverage is available for purchase in the following Limit Options:

1. $10,000
2. $25,000
3. $50,000

These are the standard amounts offered, but we offer limits up to $250,000. If interested Please call AIM for pricing.

Police Reports are Required

Whether you are talking about embezzlement, robbery or theft, these are all very serious illegal crimes. In order to process a claim, you must notify the authorities in your area and furnish us with a police report naming the individual you suspect embezzled the funds. This may be the hardest part of any embezzlement claim, as the individual whom you suspect of the crime is probably someone very close to you and other members of the board.

Fidelity Bond Exclusions

The Bond policy does not cover funds which disappear by mysterious or unexplained loss. Additionally, if the conditions of the bond policy are not followed, then your claim has the potential of being denied.

Fidelity Bond Deductible

There is a $250 deductible for a claim filed under this policy.

Top 10 Ways To Protect Your Funds Against Embezzlement

1. Never take money belonging to the Organization home.
2. Deposit money into the bank daily, even if a project is on-going.
3. Two people should always count the money and sign the receipt verifying the amount.
4. Two signatures should be required on all checks.
5. Never sign a blank check or a check made out to “cash.”
6. All bills should be paid by check, never cash.
7. AVOID Debit or Credit card use.
8. Conduct an annual audit/financial review of the books.
9. Have a non-signer physically receive, review and sign the bank statements monthly.
10. Purchase a Bond Policy and follow the requirements.
Inland Marine (Business Personal Property)

Every Parent Teacher group is worried about theft. Whether someone breaks into the Organization’s storage facility, or someone steals merchandise from an event, the issue of theft raises concerns. Your Property policy is there to protect the personal property of your Organization from such perils as theft or fire. One thing that most Parent Teacher groups don’t realize is that your Property policy can also protect your fundraising merchandise, auction items, and raffle prizes. For example: Your Organization conducts wrapping paper sales as a fundraiser and takes delivery of that merchandise on Friday. Until the children pick the merchandise up on Saturday, you agree to keep the wrapping paper in a portable storage building. What you don’t realize is that the storage building has a leaky roof and a rainstorm is coming. Overnight, all of your wrapping paper is ruined, the children have come to pick up their wrapping paper for delivery, and your Treasurer says that your Organization still owes the fundraising company for the wrapping paper. This policy is designed to protect you in a situation like this.

Property Covered

Your Property policy covers personal property of your Organization from perils such as fire, lightning, windstorm, theft, and vandalism. Personal property of Parent Teacher groups are typically items including popcorn machines, school store supplies, cash registers, posters, coffee makers, and any other property that your Organization uses on a regular basis. As mentioned above, fundraising merchandise is also covered for the same perils.

Gifting Money To The School

We all know that Parent Teacher groups raise money to purchase items to give to the school. To decrease your liability, AIM recommends that the Parent Teacher group not purchase any merchandise to give to the school directly. Instead, a better choice would be for the Parent Teacher group to “gift” the money to the school and allow the school to purchase the items that your Organization wishes to donate. We have included a sample gifting letter on the next page for you to use as a reference. While this is an acceptable form, we encourage you to put together your own gifting forms with your letterhead to use for your school.

**Gifting Property Directly To The School**

Although we recommend that any Parent Teacher group donate money directly to the school instead of gifting property, we do recognize that many Organizations will donate property directly to the school. If this is the route your Organization chooses, we recommend getting the school to sign a Hold Harmless Agreement for the property that is donated. The Hold Harmless Agreement says that the school will hold your Organization “harmless” for any maintenance or accidents of the donated property. We have included a sample Hold Harmless Agreement in this Risk Management Guide.

**Inland Marine Exclusions**

There are certain exclusions within your Property policy. The following is a list of specifically excluded items:

1. Scrip/Gift Certificates – The theft of scrip is not covered. Scrip is covered under the Bond policy for embezzlement or theft.
2. Marquees – Many Parent Teacher groups will conduct a fundraiser for a new sign or marquee which will go in front of the school. Once these signs are permanently grounded, they become real property and are usually covered under the school’s Property and Casualty policy.
3. Computer Labs – As with the marquees, once these computers are given to the school for use by the students, they become property of the school. These labs are not for everyday use by the Parent Teacher group. A computer specifically dedicated for your Organization’s use however, is covered.
4. Playground Equipment – This policy does not cover any playground equipment on school grounds. This property should be covered under the school’s property policy. *(Note: under many school insurance policies, items such as Marquees, Computers, and Playground Equipment must be gifted to the school in order to provide coverage)*
5. Other perils – This policy does not provide coverage for wear and tear, dishonest or criminal acts by a member of the Parent Teacher group, or damaged property prior to your policy start date.

The above list is not all inclusive. If you have a specific question about coverage and if coverage is provided please call AIM at 800-876-4044.

**Inland Marine Deductible**

There is a $250 deductible for a claim filed under this policy.

**Terrorism**

*(Endorsement to Inland Marine)*

Under the Terrorism Risk Insurance Act, you have the right to purchase insurance coverage for losses resulting from Certified Act of Terrorism (certified by the Secretary of the Treasury). In comparison to other risks Parent Teacher Groups face, the risk of a Certified Act of Terrorism causing a property loss to your organization is relatively low. Contact us with questions about determining if your organization needs Terrorism coverage.
