

I am Kim Kuhne, your current WSPTA Membership Director. This has been my first term as part of the WSPTA Board of Directors. While this term has had its challenges, I did learn a lot about the work of the WSPTA Board and have a better understanding of how things get done. I would like to use that experience and knowledge by serving another term on the WSPTA Board, this time in the roll of Secretary.

To be fully open, I have not served as Secretary at any level of PTA in the past. I have been “acting Secretary” at both the local and Council levels when the Secretary has been unable to attend a Board or General Membership meeting. Additionally, I have been a member of the Minutes committee at both the WSPTA Convention and at the WSPTA Legislative Assembly.

I have been an active PTA leader since joining the Board of the Heatherwood PTA when my daughter started middle school. At the local PTA level, I have been VP of Fundraising, Advocacy Chair, Membership Chair, and President. At the Council level, I have been the Advocacy Chair an VP of Membership. For the Region 7 Service Delivery Team, I have been the Membership Specialist and written the monthly newsletter. At the State level, in addition to being Membership Director for 2019-2021, I have been the Chair of the State Awards committee and a member of the Leadership, Convention, FACE, and DEI committees.

Thank you for considering me for the role of Secretary for 2021-2023.
