

# Membership Awards

Outstanding membership recruiting efforts are recognized on a variety of levels. Time has shown that local PTAs and councils that work toward membership growth are consistently more successful than those that do not set membership growth goals.

Help us celebrate the achievements of those local PTAs and councils that are being recognized in the following categories: Membership Contest, Membership Growth Awards, 100% Staff Membership Award, and 100% Membership Award.

## Membership Contest Winners

The WSPTA Membership Committee worked to encourage local PTAs to stay active while working around COVID-19 restrictions on in-person interactions. Weekly Membership Monday Facebook posts and monthly Membership newsletters advertised National PTAs' new membership marketing materials and materials from WSPTA and National PTA on how to successfully lead PTAs virtually. These tools helped PTAs adapt to holding membership, board meetings, and other activities online.

In an effort to keep the positive energy high, three membership contests were held in 2020-2021. They were open to any PTA that was in good standing and met the specific eligibility requirements for the specific contest. To be eligible for the first contest, local PTAs needed to have the required 25 members entered in the membership database by October 31. For the second contest, local PTAs needed to have earned any growth award to qualify. For the final contest, local PTAs needed to add seven members between March 1 and April 15. For each contest, a winner was selected from each of the five areas of the state from those PTAs that met the qualifications. In total, 15 PTAs won prizes.
