43rd Annual Washington State PTA Legislative Assembly A Success

Tacoma, WA (October 25, 2021): The Washington State Parent Teacher Association (WSPTA) held its 43rd Annual Legislative Assembly virtually this weekend, October 23-25. Delegates met to consider three new resolutions as well as amendments to two current resolutions in support of the association’s vision of *making every child’s potential a reality*. Resolutions guide WSPTA’s advocacy work from the local to the state level. They may be amended and updated, or retired, and are usually broader in scope than legislative issues.

WSPTA’s priority issues, resolutions and legislative principles support the delivery of the association’s mission:

- PTA is a powerful voice for all children.
- PTA is a relevant resource for families, schools, and communities.
- PTA is a strong advocate for the well-being and education of every child.

As a whole child advocacy association, the priority issues represent health, well-being, and education needs of the children of Washington state.

WSPTA’s Top 5 priorities for the 2022 legislative sessions:

1. Increase Access to Nursing, Mental Health, and Social Emotional Learning Staff
2. Support Students and Preserve Education Funding
3. Increasing Educational Equity by Closing the Digital Divide
4. Supports and Funding for Students with Disabilities and Their Families
