## **44<sup>th</sup> Annual Washington State PTA Legislative Assembly is a Success**

**Tacoma, WA (October 20, 2022):** The Washington State Parent Teacher Association (WSPTA) held its 44<sup>th</sup> Annual Legislative Assembly, its first-ever hybrid meeting, October 15-16 in person at Bellevue College or remotely. Delegates met to consider thirteen issues, one resolution, and amendments to three current resolutions in support of the association’s vision of *making every child’s potential a reality*. Issues establish our advocacy priorities for the upcoming legislative biennium. They are replaced every two years. Resolutions guide WSPTA’s advocacy work from the local to the state level. They may be amended, updated, or retired and are usually broader in scope than issues.

WSPTA’s priority issues, resolutions, and legislative principles support the delivery of the association’s mission:

- PTA is a powerful voice for children,
- PTA is a relevant resource for families, schools, and communities, and
- PTA is a strong advocate for the well-being and education of every child.

As a whole child advocacy association, the priority issues represent the health, well-being, and education needs of the children of Washington state.

WSPTA’s Top 5 priorities established for the 2023 and 2024 legislative sessions:

1. Addressing the Student Mental Health Crisis
2. Addressing Critical Gaps in Education Funding
3. Preventing and Reducing Gun Violence and Suicide
4. Addressing Funding, Inclusion, and Supports in Special Education
5. Building and Maintaining Safer School Facilities
