Focus on Advocacy Checklist for Success

Focus on Advocacy Week

Focus on Advocacy Day

February 6-10, 2023 Virtual

February 20, 2023 In-person

Reto	re Focus on Advocacy Day/Week
	Schedule meetings for Focus on Advocacy Day with legislators and their legislative assistants as early as possible. If you are unable to schedule on February 20, it is still important to schedule meetings with your legislators to discuss the PTA platform.
	Determine the meeting details in advance. Is the meeting in-person or virtual? If the meeting is in person, how many PTA volunteers are allowed to attend the meeting with the legislator (due to health and safety regulations)? Are masks required? If virtual, what platform will be used (Zoom, Teams, other) and who will set up the meeting and provide the link (PTA or legislator)?
	Recruit PTA volunteers to attend your meetings. Gget their contact information because you will need to provide their names to the legislative assistant who is scheduling your meeting.
	Determine which PTA priority you want to share with legislators. What is important to your local PTA or council? Who on your team has relevant stories to share during the meeting?
	Plan a training before the event. Gather your attendees to brief them on important information and expectations, review the WSPTA talking points, and determine your plan for the legislator meeting (who will be speaking for your group and who will take notes). If virtual, assign a tech person to host the meeting and share any documents or videos and. Do a test run sharing
	documents/videos to ensure everything runs smoothly during your meeting with legislators. Confirm attendees multiple times - remind PTA volunteers of the meeting date and time and the meeting link (if virtual). If in-person, please coordinate transportation, as parking is limited.
	Promote virtual Focus on Advocacy Week to your members to increase participation. Encourage members to sign up to receive action alerts.
