PTA is a membership-driven association. People join to support the work done locally to benefit their child and the community and to support the work Washington State PTA does collectively to help children, families and schools in the state.

Join the Washington State PTA team, the largest parent advocacy association in the state. By becoming a WSPTA sponsor, you will be supporting this important work and help ensure that we constantly strive to “make every child’s potential a reality”.

Sponsorship of WSPTA and its events can aid attendees in discovering the value of PTA through products and services showcased at our events. These products and services guide and support our members so that they can be the very best advocates for kids.
