FACE/DEI EXPERIENCES

- Co-taught FACE/DEI classes for PTA at Legislative Assembly and Convention.
- Member of FACE/DEI and Special Education Committee
- Have met with legislators and testified before legislative committees on issues surrounding equity and inclusion for all students.
- I have participated in the Parent Leadership Training Institute which is an 11-week program that teaches parents about civic engagement and being advocates.
- Helped with Washington Family Engagement's annual Equity Conference. One year I was a member of a parent panel hosted by Dr. Karen L. Mapp on family engagement.
- Worked with the Communities of Colors Coalition on educating people about the 2020 Census.
- I have helped organize workshops for parents as part of the Washington Leadership Network on topics such as immigration and bullying.
- Creating and leading my elementary school's Equity Team
- Staff lead for our newly created Natural Leaders group at my elementary school.
- As an intern with Everett School District's DEI department
 - Currently organizing Empower to Lead Student Summit for 200 high school students in the district.
 - Support the staff leads of the Natural Leaders program across the district.
 - Support the Everett School District's equity staff leads in all the schools.
 - Co-facilitate and lead the district's Equity and Access Council meetings.
