07/2016 - 6/2018

- Rebranded local PTA and Council upon becoming president and continued to train up new leaders to take over.

- Ensured that local PTA and Council followed State and National Bylaws as well as re-vamping Standing Rules to reflect Bylaws
- Brought the Reflections program back to the local PTA

Reflections Co-Chair

- Helped bridge a gap between Council and the School District by having monthly or bi-monthly meetings with District administration
- Helped open a brand-new PTA in Bethel Area Council
- Helped re-brand several PTAs in Bethel Area Council
- Offer advice and help other PTAs across Region 5 with finance and accounting procedures
- Walk through how to hold board retreats and how meetings should look with other PTAs in Region 5
- Implement and assist with training other PTA leaders
- Brainstorming ideas for revenue for WSPTA
- Review and give recommendations regarding the WSPTA budget
- Worked in conjunction with an appointed task force to re-vamp State rules for student submissions to create combo of National and State regulations that allow maximum participation within WA State schools and streamline operational processes.
