## WSPTA Nominating Committee Report

January 21, 2024

The 2022-2024 Washington State PTA Nominating Committee sought potential applicants at the local, council, and state levels to recommend nominees for the vacant state PTA positions of (i) Advocacy Director and (ii) Area D Vice President.

After communicating with a myriad of local, council, and state leaders, the Nominating Committee is recommending a leader for Advocacy Director; however, we do not have a candidate to provide for the Area D Vice President position.

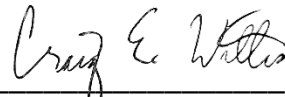

The Nominating Committee hereby places the following name into nomination for the June 1, 2024 through May 31, 2025 term.

**For the office of**                      **Advocacy Director**                      **Susan Baird-Joshi**

The Nominating Committee has confirmed that this nominee is a member of a PTA for at least the required 15 days before the election and meets other requirements as stated in the *WSPTA Uniform Bylaws*.

Respectfully submitted,
