

# Membership Awards

Outstanding membership recruiting efforts are recognized a variety of levels. Time has shown that local PTAs and councils that work toward membership growth are consistently more successful than those that do not set membership growth goals.

Help us celebrate the achievements of those local PTAs and councils that are being recognized in the following categories: 100% Staff Membership Award and 100% Membership Award.

## **The 100% PTA**

### **Membership Award** is

presented to local PTAs/PTSA's that enroll at least as many members as there are full-time enrolled students at the school

associated with that PTA. This is the ultimate achievement in PTA/PTSA membership and recognizes that every child in the school community has a paid PTA member to be their voice. PTAs/PTSA's must be in good standing and needed to submit a completed application form by March 1 to be eligible for this award. This year we had 5 local PTAs/PTSA's earn this award. They are:

## Leadership Service Award

The purpose of this program is to recognize and acknowledge leadership skills attained by PTA leaders throughout all levels of the association. PTA leaders are encouraged to join the Leadership Service Award program and submit their activity annually to create a record of their leadership in the association.

The program awards leadership points for leadership positions held in both PTA and other educational committees, classes presented, conference attendance, and other WSPTA and National PTA events. The award identifies four leadership levels from bronze to crystal.

The program is free to join. It is a great way to create a record of your leadership development that can be included in your professional résumé, as you gain the skills to become a leader in your community.

All levels are recognized with a certificate and a pin. Crystal awardees are recognized annually at the WSPTA Convention each spring.

Congratulations to this year's awardees!
