

Jory Hamilton

Kirkland, WA | www.linkedin.com/in/joryhamilton

QUALIFICATIONS SUMMARY

- Nominating committee experience in middle school, high school, and council levels.
- 16 years of experience coaching within the Lake Washington, Northshore and Bellevue School Districts.
- Skilled in working collaboratively with students, staff, and parents to promote equity and excellence in achievement and conduct.
- Proven ability to establish and enforce a safe learning environment for all students (Grades 6-12), including individuals with IEPs/504s, McKinney-Vento program participants, English language learners, LGBTQ+, and diverse cultural backgrounds; helping students find their voice and advocate for themselves and their peers.
- Passionate and enthusiastic to connect with individuals interested in serving youth and the community.

SKILLS

- **School Setting Rapport:** Proven ability to support and implement district policies, provide guidance and counseling to students, and maintain a safe, positive, and inclusive learning environment at practice and competitions.
- **Technical Literacy & Data:** Proficient in leveraging technology (Microsoft 365, Word, Excel) to assist students in learning other subjects and develop their technical literacy; skilled in collecting, interpreting, and reporting student progress data and attendance.
- **Collaboration & Communication:** Strong capacity to work in a collaborative team approach and communicate effectively with students, parents, guardians, and colleagues, both orally and in writing.
